

# note7

---

The `/etc/passwd` file contains all information about users.

## users:

To add an user:

```
sudo adduser "username"
```

To delete an user:

```
sudo userdel -r "username"
```

## groups:

to add a group:

```
sudo addgroup "groupname"
```

to delete a group:

```
sudo delgroup "groupname"
```
